

Dear 485th TMW,

Thank you for selecting Embassy Suites as host hotel for your upcoming event. Your group has been assigned a group code to alleviate confusion during the reservation process. The code assigned to your group is **485**. This code may be used when booking at **1-800-Embassy (362-2779)**, online at www.embassysuites.com, or by calling the hotel directly at **334-269-5055 Ext. 1092**.

It is very important that you share this information with everyone booking within your group block and ask them to use the code when making reservations. Please understand that your block is only for the dates stated in your contract. If booking suites outside of the contracted dates, please call the hotel directly to check availability.

Thank you again for choosing Embassy Suites Montgomery Hotel & Conference Center.

Sincerely,

Debbie Daniel
Sales Manager
