

Certificate Of Endurance

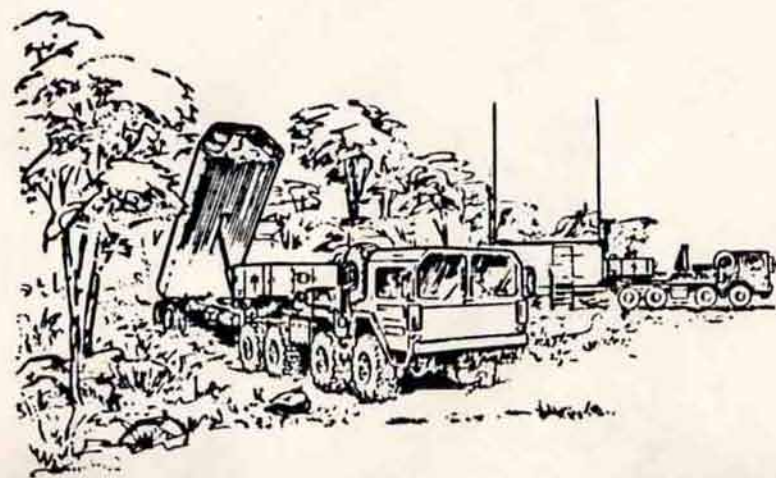

A line drawing of a Tomahawk cruise missile, labeled "Tomahawk" on its side and "USAF" on its nose.

THIS IS TO CERTIFY THAT

MSgt James J. Sauer

Has successfully completed a challenging and demanding remote tour at the Air Force's first GLCM base on the European Continent, Florennes Air Base, Belgium, arriving on station 2 June 1984 and completing the tour on 1 June 1985. During this tour, he was a participating member of the finest group of GLCM Defenders ever assembled. Thanks for a job well done.

Paul E. Samulski

PAUL E. SAMULSKI, Colonel, USAF
Commander
485th Security Police Group
